Carrier shall not be responsible for loss or damage to personal belongings, including any "personal property" left in the vehicle, including loss or damage to stereo equipment, and to any non-stock items of the vehicle, nor will carrier be responsible for damages caused to vehicle(s) by personal property left inside vehicle.
3. Shipper must furnish carrier with necessary keys to vehicle and all compartments. Shipper is responsible for completely disarming alarm/security system by any means effective.
4. Carrier reserves the right to engage independent sub-contractors to transport or ship vehicles at their discretion. Their insurance coverage is primary and is responsible for payment of any claims for loss or damage incurred while the vehicle is in their custody and control. In the event of damages incurred while vehicle is in the care of said independent sub-contractor all resulting claims must be directed to the company who physically delivered the vehicle and not Autotrans1, LLC DBA Accelerated Logistics. As a courtesy to our customers, Carrier will, as necessary, act as agent in the claims process in order to facilitate expedient results.
5. No delivery time is guaranteed. All delivery dates are only estimates of normal deliveries (delays may occur). Transporter does not agree to transport shipment in time for any particular market or event and will not be responsible for damages occasioned by unavoidable delay. There are absolutely no guarantees made, expressed, or implied, regarding delivery time or dates.
6. No auto rental will be honored (for delays, damage, or accidents) no exceptions.

5. Nothing in the agreement binds carrier to pick up and/or deliver to locations from which it is impractical to operate Carrier's equipment because of inadequacies of highway, street, or passageways for loading or unloading facilities, local, state or federal law.
6. If vehicle is vandalized either during shipment or while awaiting shipment, Carrier will not be held responsible; owner will have to submit a claim to his/her own insurance or absorb the loss. Shipper agrees that his/her vehicle is insured and his/her insurance has primary responsibility.

1. **Claims** must be made in writing within 24 hours from time of delivery. Any damage must be noted on the Bill of Lading at the time of delivery without exception. All claims for hidden damage must be made in writing and sent certified mail within 48 hours after delivery of the vehicle. Hidden damage shall mean only those losses or damages to parts contained completely, within the underside of a vehicle that should require the vehicle be hoisted on a lift in order to be viewed and identified. The party claiming hidden damage has the burden of proving that the hidden damage did not exist prior to Carrier's receipt of the vehicle(s) and that the claim relates to one for hidden damage and is otherwise proper. Pictures and two (2) estimates for repair should be sent as soon as possible. All claims are subject to a Deductible, and will be settled at actual cost.
2. **Repairable Losses-Bids**. Shipper agrees that the amount of a claim for a repairable loss shall be established by a competitive bid process. The amount of the repairable loss shall be considered the lowest available bid amount from two (2) competing qualified automobile body repair shops. Alternatively, if a Carrier elects, it may obtain an appraisal of the amount of the repairable loss from an independent automobile insurance adjustment company. A qualified body shop shall include any auto body repair shop owned by a franchised dealer of the manufacturer of the vehicle for which loss is being claimed. Carrier may, at its option, elect to accept a single bid presented by the claimant as the most cost effective settlement available and so elect to accept that bid as the amount of the claim. The payment by the Carrier of any claim presented by shipper shall be deemed the full and final resolution of the claim. The shipper shall release Carrier from any further liability involving that same vehicle upon payment of the claim.
3. **Total Losses**. The Carrier's limit of liability for any total loss vehicle(s) shall be the actual cost of any verifiable expenses thereon, including Carrier's freight charges thereon. With respect to any total loss vehicle(s), the Carrier shall not be responsible for any lost profit.
